**VfL Wolfsburg roar into the 2019/20 UEFA Europa League’s round of 16! Together with Liga Travel, the journey continues across Europe. After the away games in the group phase and the final 32, the official travel agency of the Bundesliga also organizes the trip to the next one. Liga Travel accompanies VfL Wolfsburg to Kharkiv, Ukraine – home of Shakhtar Donetsk.**

Liga Travel started planning all the details for the away trips as soon as the UEFA draws were held:

- Feb. 26-28, 2020: Sweden (vs. Malmö FF)
- Nov. 27-28, 2019: Ukraine (vs. PFK Oleksandriya)
- Oct. 23-24, 2019: Belgium (vs. KAA Gent)
- Oct. 2-3, 2019: France (vs. AS Saint-Étienne)

This was the first time since 2015/16 that VfL Wolfsburg had played in the group stages of an international competition, so places on these trips were in high demand. Although finding suitable hotels with enough rooms in Saint-Étienne and Ghent was particularly challenging for Liga Travel, they were soon able to draw on their network of international contacts built up over many years and find appropriate accommodation for all the travelers.
